La plecare telescaun Clabucet e un AP Vodafone_WiFi. Ar trebuie sa fie si unul Orange ca e publicitate aici pt HotSpot Orange, dar nu este... Am testat, e pagina aia de conexiune gratis lansata zilele astea, nu e foarte rapid dar merge bine, am

trimis un mail lui Elise de pe E72, e super practic !

Antena e pe lateralul cabaneei cand urci mica panta spre mobilu Orange Clabucet, e orientata sa emita catre plecare telescaun

AP-ul Orange este clar oprit.
